Insurance solutions for Japanese businesses

With more than 100 years of experience serving Japanese clients globally, we provide insurance solutions and services specifically tailored to the unique needs of Japanese businesses.

Our dedicated team collaborates closely with leading international brokers to deliver comprehensive insurance solutions for Japanese clients.

The philosophies of Mitsui and Sumitomo remind us to **think long-term, act responsibly**, and **create value** not just for our clients, but for society as a whole:

Strong focus on **long-term trust-based relationships**

Insurance services that take **global perspective** and **relationships** into account

Valuing **stable service**, **cultural understanding**, and **global capabilities**
